

Get a FREE Copy of The Best Advice I Ever Got

Inside this book...

- Over 800 years of business experience and leadership wisdom. All in one book! Wisdom that will last you at least 10 lifetimes.
- Discover why now is the time for you to start thinking the opposite of whatever you've been thinking about career planning.
- Discover why the unfortunate challenge of skills shortage is indirectly helping South Africa develop some of the best managers in the world.
- And much, much, more...

A remarkable powerful resource – accessible, readable, compelling, and above all, empowering – with specific and indispensable advice from 32 top business executives on:

- leadership • people • your purpose • failure, fear and setbacks • productivity and customer service • youth development • social responsibility • the South African economy
- rural development • Africa's future

Some of the contributors to the book are:

•John Kehoe •Bheki Sibiyi •Mark Cutifani •Leon Campher
•Nicky Newton-King •Bonang Mohale •Cas Coovadia •Peter Moyo •Nolitha Fakude •Edward Kieswetter •Saki Macozoma
•Christine Ramon and many others...
